From **October 30 - November 7, 2021** the **11th World Choir Games** will take place in Flanders and do not only offer the possibility of getting to know choirs from all parts of the world. They offer much more: the competition, the international friendship concerts, Individual Coachings and Evaluation Performances for choirs that do not want to compete

For choirs that come from a radius of up to 150 km around the host cities of Antwerp and Ghent we are glad to present a special and exclusive offer. Instead of booking the Event Package which includes accommodation, we offer a reduced participant fee per person for singers, your conductor and your accompanying persons:

In addition to the registration fees per choir and activity a participant fee of **EUR 80 per person and part** has to be paid.

However, in order to take part in these activities as well as in the official events (Opening, Awards Ceremony, etc.), your choir should bring enough time, planning as follows:

Part I: Arrival on October 30 (early afternoon)
 Departure on November 2 (evening)

Part II: Arrival on November 4 (early afternoon)
 Departure on November 7 (evening after Award Ceremonies)

The detailed schedule (days and times) will normally be available one month before the event. Kindly understand that creating the event schedule is complex and takes into account many different factors. Therefore, we unfortunately cannot consider special requests for performance times.

Of course you will also be able to book the Event Package including accommodation, half board and further services through our agency M&C Music Contact. Please contact us for the offer.
